

"Possible Commentary Topics"

(Brainstorm ideas for each of the following subtopics. This can be things that bug you or things you think are important and need more attention.)

1. Things that I feel strongly about related to school.

Example: homework, classes, independence, technology, sports...

2. Things that I feel strongly about being 12 or 13.

Ex: Things that are not fair... expectations... social media, things you wish were different...

3. Things I feel strongly about my family and/or friends.

Ex: Responsibilities, communication, choices etc.

4. Things that I feel strongly about my community.

Ex: community events, policies, spaces..etc.

5. Topics that are personal to me... religion, current events, sports, causes, etc.
